

H.V. TEST

SPECIALISTS IN HIGH VOLTAGE TESTING & DIAGNOSTICS

H.V Test is proud to have been awarded the ISO: 9001:2015 (QMS) and ISO: 45001:2018 (OH&S). This ensures that our products and services meet the needs of our clients through effective procedures and occupational health & safety management systems.

We have developed and implemented our integrated management system in order to improve the overall performance, maintain a high-level of quality and strong customer service.

We work towards ISO: 9001:2015 and ISO: 45001:2018 accreditation proving our commitment to provide high-quality and consistent products and services, by considering Occupational Health & Safety of our employees, and progressing towards new technology and development.

The ISO: 9001:2015 and ISO: 45001:2018 certifications is the assurance that we have robust, clearly defined procedures in place in all our business areas. We continuously challenge ourselves to improve the quality and occupational health & safety management system to provide products that exceed the needs and expectations of our customers and always complying with the specifications and regulations.
